Created by a company called Cake Vintage Table & Home (it just sounds fun, doesn't it?), this 16-inch pendant light is made from salvaged door plates. \$450. Also available in 12- and 8-inch sizes.

FLATWARE**

Give your herb garden a touch of whimsy with these charming flatware herb markers, made by Colorado artisan Jane Willis of Bennett. Willis flattens and then stamps old silverware to create one-of-a-kind pieces. \$8 each.
